

WII BOWLING TOURNAMENT RULES

1. There will be a blind draw to setup the tournament brackets.
2. This is double elimination tournament, so after one loss your team is not out of the tournament, please check bracket to see when/where your next matchup is.
3. Once the matchups are set, the locations of each game will be announced & teams must report to their assigned Wii Station.
4. Teams that report more than 5 minutes late will lose 5 points off their final team score. Wii game managers will enforce this.
5. Teams will bowl relay style with each bowler on each team bowling twice per match up. *For example:* Bowler 1 from Team 1 will bowl the 1st frame, then Bowler 1 from Team 2 will bowl the 1st frame - then Bowler 2 from Team 1 will bowl the 2nd frame, etc.
6. Bowling scores are recorded on the Wii console.
7. Any ties will be resolved by a sudden death frame! Each team will select one bowler from their team to compete in a head to head competition. Bowler that knocks down the most pins, wins the game. If necessary, this will continue until there is a declared winner of a frame.
8. Winning team will receive \$50 gift cards from Best Buy, trophies, & tournament bracket! 2nd place team will receive trophies.
